Class Information (General English)

| | |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| General English | Students at DUELI on four-week program students study in General English classes. These General English classes have a focus on communications skills and include group projects and excursions. |
| GE Levels | There are eight levels of classes from Beginner to Advanced. Students are placed from level GE1 to level GE8. Students will be placed in a level based on their Placement Test (or IELTS, TOEFL, PTE result) |
| Materials | Teachers will provide all study materials to the students. Most courses use a coursebook but there are also many study resources online (Cloud Deakin). Students need to bring a laptop to class. |
| Assessments | Classes have a mix of different assessments. Teachers will explain the assessment in Week 1 of the course. General English classes have assessments for speaking, writing and a project assignment. |
